88.9%	233	262	34	Overall	GREEN
Complies with Requirements					88.9%
Improvement Needed					11.1%

The score is based upon the percentage of questions that conform to the requirements and the percentage and that needs improvement. Each client should review how the supplier was evaluated for each question and base their sourcing decisions upon factors which are important to them and their product.

Results	Recommendations
>86%	Processes are effective. Approve as a new supplier, or continue business with existing supplier with minimal risk.
85%	Processes are acceptable but with minor issues. Approve as a new supplier, or continue business but monitor for changes, and encourage improvement.
60-85%	Processes have several major issues. Do not approve. Temporally use this supplier and request immediate corrective action using the SCAR form.
<59%	Processes have multiple major issues. There are deficiencies that pose a high risk to our business, change supplier. Remove from the Approved Supplier List.

Scoring Criteria

0	Supplier demonstrates no compliance to a QMS OR no documented system in place.
1	Supplier has a documented system but shows only limited compliance.
2	Supplier has a documented system and shows only minor exceptions of non-compliance.
3	Supplier has a documented process and can demonstrate full compliance.
